Practice Final Exam #1.....	233
Practice Final Exam #2.....	241
Appendixes	249
Interest Tables	249
Answer Keys	257
Glossary	275

Of the many possessions held by man, real estate is generally considered to hold the greatest value. Naturally then, real estate appraisal is a profession that, throughout time, has proven to be a key link to the financial security and strength of the nation. Appraisers serve an important role in society—one for which they’re continually striving to earn and keep the respect of the general public. The appraisal industry is a challenging and rewarding one, requiring great skill and experience, but offering unlimited opportunities. It is also a time of great change in the appraisal industry and there has never been a better time to become licensed or certified.

Appraisal Review Crammer™ is the right tool to prepare you for your exam. Whether used in the classroom or as a self-study tool, you’ll find the content review reflects the AQB’s 2008 curriculum guidelines and a text that is both a subject matter *refresher and a hands-on study tool*. It uses *simple and clear explanations*, providing a strong review of both *terminology* and concept *application* of appraisal.

Many years of classroom instruction experience and student feedback have helped to create the proven *memory skill exercises* and *case examples* included here to reinforce learning and guide you to full preparation for exam success. Time-tested *study tips* and *test-taking techniques*, as well as *numerous practice tests* and an extensive *glossary* will increase your confidence and reduce your anxiety on exam day.

Additional exam prep products that complement this text and your study are available from Hondros Learning. They include *Appraisal CompuCram™* Exam Prep Software, *Appraisal Vocabulary Crammer™* Audio CD, and *Appraisal Vocab Crammer™* Flashcards. Visit www.exam-prep.com or call 1-877-812-3269 to purchase *Appraisal CompuCram™* or any of our exam prep products.

About the Author

Timothy Detty has taught thousands of real estate and appraisal students over the course of his teaching career at Hondros College. A practicing Certified General Appraiser, he has also written numerous real estate and appraisal courses and served as an author and expert reviewer for several real estate and appraisal textbooks. In addition to being certified by the Appraiser Qualifications Board of The Appraisal Foundation as a USPAP instructor, Tim is a frequent guest lecturer and contributor to various real estate and appraisal publications.
